Highest Offenders

There are 25/30 highest offending companies doing business with the Sudanese government. These include:

Most of these companies work within Sudan's oil sector.

Government of Sudan

In exchange for oil & natural resources, the Government of Sudan receives:

- Billions of \$ in Revenue
- Weapons
- Political Support (especially from China)

Military Expenditures & Weapons

70% of government oil revenue finances Sudan's military.

The Sudanese military arms the Janjaweed militia and attacks its own people in the Darfur region.
